Mission Statement - We are dedicated to providing a safe, fun, and consistent learning environment for our students.

Welcome to Cascade School. We have been teaching the Northwest to ski since 1962. Cascade is one of the oldest privately run ski schools in Washington and currently has a staff of 75 instructors. We operate at two of the Northwest's finest ski areas-Summit West at the Summit at Snoqualmie and Crystal Mt. Our success can be attributed to our well-trained and caring instructors. Think snow and see you on the slopes!

ENROLLMENT DEADLINE: December 1, 2011

Participation Agreement:

Enrollment deadline December 1, 2011. Applications accepted after deadline on space available basis.

I accept my responsibility to ski safely at all time, to abide by the skier's Responsibility Code, now titled "Your Responsibility Code" and to obey all posted behavior notices and other ski area rules and policies.

Since all instruction and bus space are reserved for entire season, there are no refunds or make-up lessons if a student misses a class.

Transportation fees are non-refundable.

There may be unforeseen circumstances or conditions which will force the ski school to postpone or cancel a session or sessions.

In the event of postponement, make-up lessons will be scheduled and the ski season will automatically be extended until ALL lessons are completed. So plan for an extended ski season if we should get a late start or have any interruptions in our schedule.

If we are forced to cancel and the program is not completed, we will refund tuition fees less the number of weeks ski school operated. A \$25 administration fee will be charged to issue a refund check for any reason.

TUITION does not include lift tickets, ski equipment, clothing or lunch. Lessons and bus seats are not transferable. Smoking or tobacco usage is prohibited on all Cascade ski buses.

MEDICAL INSURANCE: All students are required to have medical or accident insurance which covers skiing.

There are hazards involved in the sport of skiing and snowboarding, as in all active sports, and accidents may happen.

CONFIRMATION: Upon receipt of entire signed registration form and fees, detailed ski school information will be mailed or emailed which will include:

- Your pick up point and time (if riding the bus)
- Bus, ski area and ski school information
- Equipment and clothing tips
- Application for season pass if requested (early registration is necessary)
